

Hiring - Experienced Irrigation Workers

This is an amazing opportunity to join a dedicated team of experienced and professional staff. With almost 20 years in business, National Capital Irrigation always seeks to provide exceptional service to clients by knowing that our employees are the most crucial aspect of our business. We strive to provide three basic fundamentals to every employee: **honest work, good pay, and great work colleagues.**

We are looking to fill a position for experienced irrigation employees capable of performing service calls, renovations and small installations. **This position will begin April 30th.**

A typical day as an irrigation employee involves traveling from site to site, working directly with clients to provide effective, tailored solutions to their irrigation needs. By applying technical knowledge, an irrigation technician provides solutions to any irrigation related problems. On larger service calls and projects, technicians may be provided team members to assist.

Knowledge, Skills and Abilities Required

- **Capability** to inspect irrigation systems to identify proper service needs
- **Aptitude** to troubleshoot, install and adjust: controllers, valves and other system components
- **Experience** of at least one year working in the irrigation industry
- **Possess** a valid Driver's License and a good driving record

Every Employee Should Have:

- **Great** organizational skills
- **Positive** work ethic
- **Strong** communication skills with a focus on the customer (bilingualism is a plus)
- **Competency** to work alone and on a team
- **Focus** on honesty and integrity
- **Personal** transportation to our convenient location in Barrhaven because there is no bus service to our shop

Salary

- Competitive salary based on skills and experience. We consistently pay at the top of our industry

Why Should You Apply?

- **Honest Work**
- **Good Pay**
- **Great Work Colleagues**
- **Opportunity for Advancement**

We are continuing to grow and are currently expanding our irrigation team. Capitalize on the opportunity to join a successful local company that respects its employees and our large, growing client base. Take the chance to experience what it's like to be an integral part of a dynamic team!

Please fill out the online application form, and attach a current version of your resume, along with a short summary of what you would bring to the company.

Hiring - Experienced Irrigation Workers

National Capital Irrigation is an Equal Employment Opportunity company and hires on the premise that all people have the right to work and advance based on ability, regardless of race, sex, colour, religion, disability, national origin, or age.
